Subject: NBI Upgrade Weekly Status 4/25/14

Mike

NBI Upgrade: The Armor installation is complete. Transmission line assembly and preparation for relocation continues in the TTC. One transmission line is complete and ready to move to NTC. Mod/Reg controls work and preparation continues. Calorimeter water manifold installation is in progress. VV RWM coil fabrication continues for the Bay JK area. Vacuum system fabrication and installation continues in the NTC. A BL2 entry is being performed to remove alignment gear and clean out the box prior to pumpdown. NB Controls work on rack wiring continued in NTC and gallery. Additional NB installation procedures are in development and review.

Regards,

Tim
